

Author AI Opt-Out Letter

Your Full Name: _____

Address or Country: _____

Email: _____

Date: _____

To Whom It May Concern,

I am a professional author and the rights holder of multiple literary works protected under international copyright law.

I am writing to demand that my works not be used in any current or future training datasets for artificial intelligence models.

The unauthorised use of my creative work for AI training constitutes a serious infringement of copyright and a violation of my moral rights.

Your company has not sought or received my consent to use my books or related works in any AI-related activity. Therefore, I hereby opt-out of any use of my works in your AI training datasets.

- I require the immediate removal of any of my works currently included in your datasets.
- You must not include any of my works in future datasets without my explicit, written consent.
- I request you confirm receipt of this letter and the steps you will take to comply with this opt-out.
